## IT IS SUMMERTIME!

We will be out of the office between 5 and 25 of August.  
We hope you all have a great time during this holiday season  
and you come back full of energy  
and with new hopes.

World  
Engineers  
Summit  
Singapore

9-15  
September

**World Engineers Summit - WES** is the world's first engineer summit and will be held in Singapore.

Issues such as the lack of women in Engineering will be discussed. There will be highly respected speakers at event from around the world.
